

DIABETIC BASICS®

**Complete Skin Care
to Meet the
Special Needs
of Diabetes**

**Kills
the Germs
that Cause
Diabetic Foot
Infections**

Features

Benefits

- Easy-to-use daily healthy foot hygiene program
- Proactive/prophalytic protection
- Antiseptic

- Helps prevent foot infections which can lead to amputations
- First product line developed specifically for prevention of skin problems
- Kills the germs that cause infections

Sanitizer

- Kills 99.99% of disease-causing germs (bacteria, fungi, and viruses)
- Alcohol-free
- Rinse-free
- Spray dispensing

- Helps prevent infection and sanitizes feet
- Will not sting or dry delicate skin
- No need to use water or rinse off
- Convenient when soap and water are not easily accessible – helps accommodate the needs of the elderly and mobility-impaired

Lotion

- Germ-killing, water-based, non-greasy, fast-absorbing, and emollient-enriched
- Strongest germ-killing lotion without a prescription, yet extremely gentle
- Ounce for ounce, most cost effective of any diabetic lotion

- Softens and protects delicate skin while providing protection from germs
- Gently removes dry, dead skin and stimulates healthy skin formation
- Consumers appreciate the cost saving value

Powder

- Germ-killing powder
- Kills more germs than anti-fungal powders
- 100 times reduction of germs in a closed shoe environment

- Helps eliminate disease-causing fungi and bacteria on feet
- May also be sprinkled in shoes
- Kills odor and infection causing germs
