

HandClens[®] Alcohol-Free Instant Hand Sanitizing Foam 1.8L Wall-Mounted or Free Standing Dispenser

- Patented formulation exceeds FDA standards for persistence of activity, and published studies demonstrate up to 42% reduction in illness-absenteeism
- Kills 99.99% of disease-causing germs in 15 seconds
- Non-flammable formula is safe for all ages and all environments – hot or cold
- 2 in 1 Sanitizer & Lotion
- Dispenser pump converts liquid into rich foam
- Unique feel of foam promotes increased compliance with hand hygiene routine
- Repetitive use actually softens hands like a lotion
- Cost-effective, disposable unit – eliminates contamination
- Economical, too – providing 3 times the applications of similar sized alcohol-gel sanitizers
- Approximately 3,600 applications per bottle/unit
- HandClens is also available in a variety of sizes and dispensing formats including a .5 oz spray, 1.7 oz and 8.0 oz foamers
